

COSMO SCHOOL

Lecture Sheet and Exercise

Class: 4

Subject: Religion

Nahida Sultana Shima

Topic: 3

Respect to elders and affectionate to the younger.

Who are ours elders: Our parents, grand-parents and teachers are our elders. The children who read in our higher classes, they are also elders. At home we have elderly servant. Elderly persons love us and tender their affection to us. We will honor the elders.

Who are ours younger:

We have our small brothers and sisters. Many children read in lower classes. They are our younger.

Responsibilities towards the elders:

1. We will honor the elders.
2. We will show them respects.
3. We will say salam to elders.
4. We will talk to them with good manners.
5. We will behave well with them.
6. We will abide by their orders and admonition.

Responsibilities towards the youngers:

1. We will love them.
2. We will show affection to them.
3. At the time of their wiping, we will pass our hand on their head.
4. We will bring them in our laps.
5. We will teach them good lesson.
6. We will not let them crying.
7. We will not beat them.
8. We will not abuse them.
9. We will teach them salam.
10. We will help them to their study.

Responsibilities to others:

In buses, steamers or any other transports many old men travel. Sometimes for want of seats they keep standing. If we are seated, then we will stand up and leave the seat for them. They will be pleased and will pray to Allah for us. Allah will also be pleased with us.

Story of Fuad:

Fuad reads in class four. He says salam to those who are elder to him. He shows respect to them and honor them. He loves those who are younger to him. He shows affection to them. Everyone loves Fuad.

The Great Prophet(s) would honor the elders and love the youngers very much. He behaved very well with all. **The Great Prophet (s) says,** "He who does not honor elders and love the youngers is not my Ummat(followers).

Topic: 4

To behave well with the neighbors:

Who are neighbors:

Those who live around us are our neighbors. Co-passengers of the bus, the train, the launch, the steamer are our neighbors. The hostel-mates in a hostel are also like the neighbors to a hostel boarder.

Our behave with neighbors:

1. We will behave well with our neighbors.
2. We will exchange greetings with them.
3. If anyone is hungry, we will give fruit to them.
4. When our neighbors are ill, we will give them nursing.
5. We will help them at the time of danger,
6. We won't close his path for communication.
7. We will be happy with his happiness and we will be sorry with his sorrow.
8. We will not throw rubbish here and there.
9. We won't quarrel with them.
10. We won't do any harm to them.
11. We all live together.

Necessity of good behave with neighbors:

We all live together with our neighbors. As a result,

1. Our environment will remain beautiful.
2. Happiness and joy will prevail there.
3. ALLAH will be pleased with us.
4. The heaven will be rewarded in hereafter.

Result of bad behave with neighbors:

If we quarrel and envy with neighbors-

1. ALLAH will be angry and displeased.
2. We shall not get peace in this world.
3. We shall not get peace in hereafter also.

The Great prophet (SM) says, “The man won't enter the heaven for whose oppression and bad conduct his neighbors are not safe. Also said the man is the best one amongst you who is the best one to his neighbors”.

Exercise:

Short question:
