

## Class 6

### Chapter-10(Rights of Children in Bangladesh)

#### Lesson-3:-Rights of children in Bangladesh

On 26<sup>th</sup> January 1990, the main papers of the Charter of Children's rights were opened for the member countries to sign on. Bangladesh signed on this charter on the very first day.

The Government of Bangladesh has made 'National Child Policy' to establish security, welfare and development of the rights of children. Government of Bangladesh has taken some steps/rights-----

- Removing malnutrition of children.
- Ensuring health for all children.
- Distributing vitamin 'A' capsule among children to eliminate blindness.
- Ensuring compulsory primary education for all children under the program 'education for all'.
- Banning the participation of children in heavy and risky work forcefully.
- Taking steps for the development of street children and derailed children.
- Making and enforcing rigorous law against oppression of women and children.
- To create family violence prevention act and implement it.
- To create human trafficking prevention act to prevent women and child trafficking and implement it.
- Paying special attention to underprivileged and disabled children.
