Chapter-3=Lesson-10

S u r a A l - I k h l a s

Sura Ikhlas is the 112th sura of Al-Quran. It has 4 verses. This sura was revealed in the sacred city Makkah

This sura has many benefits. The great Prophet said, this sura is equal to the one-third of the whole Quran (Sahih Bukhari and Sahih Muslim).

In another hadith, it is told that a man came to the Prophet (Sm) and said,

“The messenger of Allah, I like this sura very much”. Hazrat Muhammad (Sm) replied, " your love for this will take you to the heaven”. (Zami Tirmizi)

Background (Reason for revelation)

Once the Mushriqs asked the great Prophet about Allah's family. Allah revealed this sura as a reply to their question.

It is described elsewhere that the Mushriqs also asked what is Allah made of-gold, silver or something else? Allah has revealed this surah and thus replied to their question.

Meaning

*Qul=Tell, *Hua=He, *Ahadd=one,
second to none,
*As samad= Independent, self-
dependent
*Lam Yalid= Allah did not give
birthy to anybody
*Lam Yu lad= Neither he was born
Kufuwan= equivalent, similar, equal

Translation

In the name of Allah, the most Gracious, The most Merciful

1. Say (Oh Muhammad!). He is Allah, (the) One and Second to none
2. Allah, the Eternal, Absolute
3. He neither begets nor is born.
4. And there is none co-equal to Him.

Explanation:

This sura is the ultimate testimony of Tawhid or Oneness. This Sura gives a brief introduction about Allah. Here, an answer is given to the beliefs of the Mushriqs and the nonbelievers. Allah is One and second to none. He is the Absolute. He Himself has created all the things alone and controls everything. He is not dependent on anybody. Rather, everything depends on Him. He is beyond all sorts of necessity. He does not beget anybody, nor is born. He is the One and second to none. There is none co-equal to Him.

Teachings:

- Allah is the One and second to none.
- He has no wife, son, daughter, or parents.
- He is the Absolute and the most Powerful.
- There is none co-equal to Him.

We should have believed in Allah's Oneness. We should never relate anybody with Him.

Math

1) Sura Ikhlas is equal to the one-third of the whole Quran.

So, By reading this 3 times we will get full sowab/rewards of reading the full Quran

1 time reading Sura Ikhlas= reading of 1/3 Quran

2) Reciting sura At-Takasur once everyday is equal to reciting one thousand verses.

So, If we recite sura At-Takasur daily in a month we will get the reward of reciting 30000 verses

1 time in 1 day= 1000 verses

1 time in 30 days (one month=30days) = 30x1000

=30000 reward of reciting verses
