Chapter-3: Introduction to Health Science and Health Service

Lesson-3: The influence of the persons of the same age in case of drug addiction

From our previous studies, we have learnt how a drug addict person causes immeasurable loss to his personal, family and social life.

Now we are to know how our adolescents and young generations are influenced to take drugs.

Question 1: How the teenagers and youths are influenced to take drugs?

Answer: Particularly the teenagers and youths are influenced by-

- (a) Their friends and classmates.
- (b) Sheer out of curiosity.
- (c) If parents or any members of the family take drugs.
- (d) Due to indulgence of their guardians.
- (e) The drug traders tempt to take drugs.
- (f) Same age of groups or companions.
- (g) Due to the absence of happy conjugal life between their parents.
- (h) Due to separate family.
- (i) Due to easy availability of drugs here and there.

Question 2: Who are influenced to take drugs?

Answer: The followings are influenced to take drugs-

- (a) Adolescents, whose parents are not leading happy conjugal life.
- (b) Teenagers, whose parents are living separate.
- (c) Youths who are in frustrations.
- (d) Youths who have failure in life.

- (e) Teenagers, whose parents or any other members of the family take drugs.
- (f) Teenagers, who get indulgence from their guardians.
- (g) People who are unemployed.
- (h) People who are suffering from misery, agony and boredom.
- (i) Teenagers, who are getting drugs easily here and there.
