We need clean air:

Breathing impure air makes us ill, so we need clean air.

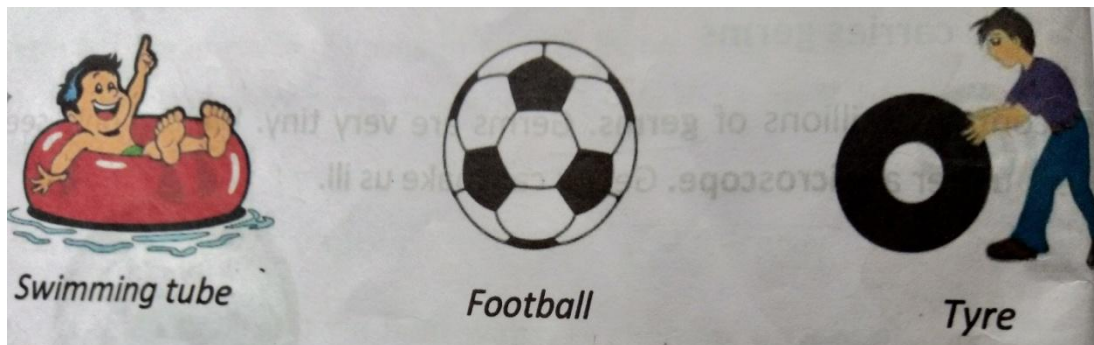

To get clean air, we must-

- plant more trees
- keep the windows open
- play in open place
- not breathe in smoke
- use a mask to cover mouth while coughing or sneezing

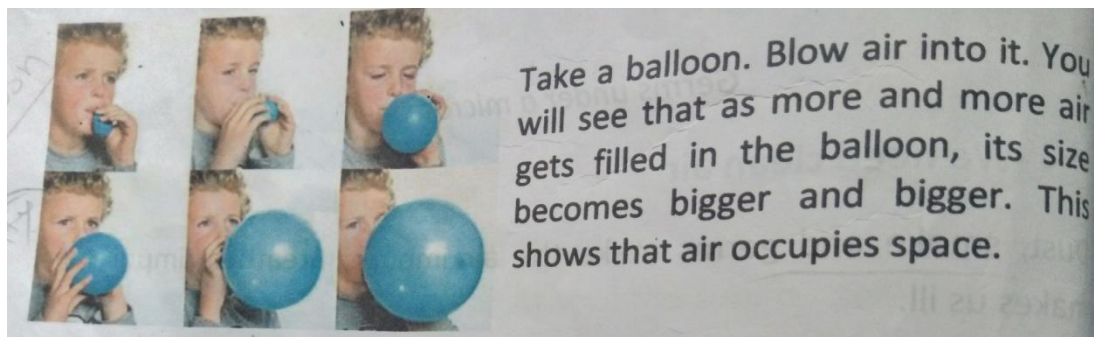

Properties of air:

- **Air takes up space**

Air can be filled in footballs, tyres, pillows and swimming tubes.

We can see that air takes up space by doing following activity:
