#Alas! This friendship was not to last long. The King had sent soldiers to find Androcles and soon he was caught.

#Androcles was thrown in prison.

Captured men were thrown into an arena where they would be killed by wild beasts. This was watched by the king and a large crowd.

#Soon Androcles found himself in an arena. Suddenly, a huge gate flung open and a massive lion bounded towards him, roaring with all his might.

#Androcles saw that a paw of the lion was bandaged. In that instant, he knew it was his friend from the forest.

#The massive beast recognised him too and began to lick his hands. Androcles raised his hand and stroked the lion's mane.

#Everyone was spellbound. The spectators were surprised. So was the king. They had never seen such a spectacle.

#Androcles told him what had happened at the forest.

#The king was impressed by the power of friendship between Androcles and the lion. He set them free.

Answer each question in one sentence:

- a) Where were the captured men thrown?
