### 3. Answers of broad questions:

a) Ans: **The necessity of honesty is immense because-**

i) Honesty gives people respect.

ii) Gods and goddesses are pleased with them who are honest.

iii) It makes a person truthful and good.

b) One day, the woodcutter went in the forest to cut wood. All on a sudden, the woodcutter's iron axe fell into the river. Thus, the woodcutter lost his axe.

c) After losing the woodcutter his axe, the water-goddess came up gradually from the river with a silver axe and a golden axe in her hand. She asked the woodcutter that, "Are these axes yours?" Then the woodcutter replied that, "No, these are not my axes." Then, the water goddess dived into the water and came again up with an iron axe in her hand. Now, the woodcutter replied that it is his axe. At last, the water goddess gave these three axes to the woodcutter after being pleased with the woodcutter's honesty.
