Revision+ answer sheet

- 3) Which one is used for making lead in \_\_\_\_\_?  
a. Diamond                      b. rocksalt                      c. graphite(ans)d. coal.
- 4) Marble statue is made from \_\_\_\_\_.  
a. Raw sandstone                      b. raw marble(ans)c. limestone                      d. slate.
- 5) Which one is used in making bricks, paints and plastics?  
a. Shale(ans)                      b. slate                      c. rocksalt                      d. soil
- 6) Limestone is used in making \_\_\_\_\_.  
a. Bricks                      b. roofs                      c. chalk(ans)                      d.food.
- 7) Which one is useful for growing \_\_\_\_\_?  
a. Rocks.                      b. pebbles                      c. soil (ans)                      d. gold.
- 8) Which one is used to cut glasses?  
a. Gold                      b. diamond(ans) c. coal                      d. graphite.

4. Give the answer of following question in one word.
- a) What is used in making roofs, tiles and writing slate?  
Ans: Slate.
  - b) What is used in making bricks?  
Ans: Shale.
  - c) Which rock is used in flavouring food?  
Ans: Rocksalt
  - d) What is used for cutting glass?  
Ans: Diamond.
  - e) What is used to produce electricity?  
Ans: Coal.
5. Give the answer of following question in short.
- a) What is pebble?  
Ans: Small, smooth stones found near the river is called pebble.
  - b) What is mineral?  
Ans: Mineral is one kind of useful chemical found in earth.
  - c) What is a stone?  
Ans: Small size of rocks is called stone.
