

Notice about the Vacation Worksheet

05/04/2019

Assalamualaikum
Dear students!

Here the vacation Home Work (H.W.) for all the students of different classes (Both sections) has been uploaded in our school web. (and will be uploading)

You need to study the main book first and then answer the questions of the given worksheets of different chapters.

Take no more than one week for answering the questions of every single chapter/topic.

This means that if you get the worksheets of 4 chapters/topics then you'll finish them in 4 weeks.

Write the answers in your copy/khata and email them (best as scanned pdf with CamScanner App) to your subject teacher.

For any special need, you may contact your subject teacher through the email/phone. If you need any phone call, do it by yourself.

You have to email the answers of every of the chapters/topics in every of the weeks.

Thank You,

M.A. Zinnah
