Worksheet on narration and paragraph

Change the narrative style of the following text(Board Question):

1. “Dear friend, which book do you want?” “A Practical English Grammar of A. J. Thompson. I lost my copy yesterday,” said Oishe. “I can lend you. But return it in a week,” I said.
2. “What are you doing now, Rashed?” I said. “I am watching an interesting program on television.” “Aren’t you wasting your time?” “No, I don’t think so,” he said. “Remember, too much watching TV makes people lazy.”
