

Class – Two

Lesson – 8

BANGLADESH : OUR MOTHERLAND

Bangladesh is called a land of rivers. There are many rivers in Bangladesh.

The 5 main rivers are :

- 1) The Padma .
- 2) The Meghna .
- 3) The Jamuna .
- 4) The Surma .
- 5) The Karnaphuli

Importance of river :

- _ main source of water ,
- _ main source of water for cultivation.
- _ important for transportation .
- rivers also provide fish .

Bangladesh is called a land of river as it has eight hundred rivers.

These rivers are spread like a net in Bangladesh.
