

## **Class Two**

### **Our School**

#### **Playground**

A playground is a place where we play. Our playground is our hallroom. In the hallroom we have our assembly and meditation. In the physical exercise class we play there. It is a small place but we enjoy very much there. We play there joyfully.

We see in our school – Classroom

- Teachers room
- Computer lab
- Yoga room
- Library room etc

#### **Library room**

A library is a room where various types of books are displayed. There is a library in our school. Sometimes, We go to library. Our library room is very big. There are many shelves where different types of books are kept. I like to read story books and books of poems.

1.Write about your school library.

### **My school library**

Our school library is very big and beautiful.Sometimes,We go to the library.We like to read story books.Our library is very neat &clean.We always keep our books in orderly manner in the shelves.
