6. List out the living things and non-living things from the following pictures.

Which of these things are living? Which are non-living?

The image displays 15 different objects and organisms arranged in a grid-like fashion. To the right of the objects is a table with two columns: 'Living' and 'Non-living'. A notepad with a question mark and a pencil is placed on the table. The objects are labeled as follows:

- mushroom
- teddy
- zebra
- skateboard
- fish
- crocodile
- doll
- dragon fly
- chair
- ball
- tree
- cloud
- bird
- frog
- flower

Example:

Living things	Non-living things
1.mashroom
