**Why do we need a home?**

Home is a place in which we live, All living being such as animals, birds, humans need a place to live. It keeps us safe from bad weather such as rain, sunlight, storm and other natural disaster. That's why we need a home.

**We have some duties toward our home –**

- We need to keep the house clean.
- We will put our daily necessities in orderly manner
- We will make our bed
- We will help to set the dinner table
- We will stack our dress nicely
- We will put younger one's things in proper places

### **We also have some activities outside the home-**

- We will plant sapling in the yard
- We will nurse flower plants in a pot
- We will water the plants
- Take care our pets

Everyone needs to join hands in activities which will develop and build a sweet home.

### **Fill in the blanks:**

1. We can do lot's of work around the home.
2. We need to keep the house clean.
3. We may need to help outside with plants and watering.
