Chapter --- 8

The Continents And Oceans

Topic ---3 , Bangladesh in the map.

Asia is the world's largest continent. We live in Asia. There are 48 countries in Asia. Our beloved homeland Bangladesh is situated on the southern edge of the continent of Asia. It is a small country. The land area of Bangladesh is 1,47,570 square kilometres.

Describe about our national flag:

Bangladesh is an independent country. So we have a national flag of our own.

Our national flag is green and red.

It is rectangular.

The ratio of its length and width is 10:6.

The radius of the circle is one fifth of the width of the flag.

The red circle is somewhat left of the flag.
