To learn the Quran Majid
Topic 5 and 6

Exercise

Short Question:

3. How many letters of Madd are there?

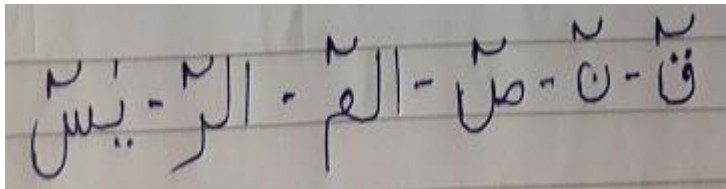

Ans: There are three letters for Madd. They are: **ا, و, ي**

Broad Question:

5. What is madd? How many letters of madd are there? Give an example.

Ans: In the Qur'an Majid, some letters are to be read in a long accent (sound). This sort of accent is called madd. There are three letters for Madd. They are: **ا, و, ي**

If the signs of Madd are there on any Arabic letters, it should be read in a long breath.
