## Subject: Religion

### Topic 5

#### Nursing the patient

In our house there are,

Someone of us suffers with fever or different kind of illness. Some they and we become sick.

#### How we feel when we become sick;

1. Our body become weak.
2. We feel helpless.
3. We feel bad enough.
4. We do not feel well to eat.

### **What we need then:**

1. We need medical treatment.
2. Need to call doctor.
3. Need nursing.
4. Pouring water on head.
5. Expunge the body with wet clothes.
6. Medicine with doctor's advice.

The ill are to given nursing. The illness will recover Insha Allah and the patient will be cured.

**The Great Prophet (s)** said, "Give nursing to the patient".

**Fuad's story:** fuad's mother -severe fever-none in the house-fuad called doctor- doctor tested-advice-pouring water-medicine-fuad give medicine-pray to Allah-mother cured.

### **Topic- 6;**

#### **Speaking the truth;**

To speak the truth is a great virtue. The man who speak the truth is called a truthful person. In Arabic Sadiq. On the other hand the man who tells lie is called a liar. In Arabic Kazib.

#### **Reward of speaking the truth;**

1. Everybody loves him.
2. Trust him.
3. Allah loves him.
4. He is loved and honored by everybody.
5. He can go to Jannat.

#### **Punishment of telling lie;**

1. Nobody trusts and loves him.
2. Everybody hats and abhors him.
3. Nobody helps him in danger.
4. Allah also hates him.
5. In the next world he will go hellfire.

**Our Great Prophet (s)** said, "Truth sets a man free and lie ruins him".

#### **A true Story;**

A man came to Prophet (s) and said to him, "Oh, The Prophet of Allah! I do steal, I do tell a lie and many other crimes. Now I want to leave them. Tell me, which one I have to leave first?" The Prophet said, "leave the lie to tell." The man left the lie to tell and with leaving the lie he was saved from others sin.

## **Exercise:**
