

***Class- V***  
***Subject-Science***  
***Chapter -9 (Exercise)***  
***Technology in our life***  
***Class Date-30/06/2020***

**A. Fill in the blanks with appropriate words**

1. People have developed different types of \_\_\_\_\_ technology to meet the demand the food.
2. In many crops, farmers use fertilizer and pesticides to increase \_\_\_\_\_.
3. The technology applies \_\_\_\_\_ knowledge to create products and tools.
4. Sometimes using technology turns into an \_\_\_\_\_.
5. Science is the knowledge or study about the \_\_\_\_\_ world.
6. \_\_\_\_\_ investigate and answer questions about the world around us.
7. The scientific method includes \_\_\_\_\_ steps.
8. Technology is the practical application of \_\_\_\_\_ to solve the problems of our life.
- 9 Scientific knowledge is applied to create \_\_\_\_\_.
10. \_\_\_\_\_ is used in many fields such as education, medical care.
11. \_\_\_\_\_ and technology related to each other.
12. People invented technologies to solve practical problems for \_\_\_\_\_ their life.
13. 18<sup>th</sup> century was a period of the \_\_\_\_\_.
14. People invented the steam engine by applying \_\_\_\_\_ knowledge.
15. \_\_\_\_\_ was used for factories, trains, or ships.
16. Scientists used \_\_\_\_\_ to study the natural world.
17. Science and technology \_\_\_\_\_ on each other.
18. People use \_\_\_\_\_ to produce a lot of food in a shortage period of time.
19. Chemical fertilisers and insecticides are used to \_\_\_\_\_ food production.
20. Chemicals are used to \_\_\_\_\_ harmful pests and weeds to grow more food.
21. \_\_\_\_\_ is a technology that uses living things to make a new product for human welfare
22. Technology makes human life safe and \_\_\_\_\_

23. Burning \_\_\_\_\_ causes air pollution.  
24. \_\_\_\_\_, insecticide and pesticides cause water and soil pollution.  
25. Horrible applications of scientific knowledge are the improvement of \_\_\_\_\_.  
26. The steam engine was invented by \_\_\_\_\_.

**Answer:**

- |                           |                   |                        |                      |
|---------------------------|-------------------|------------------------|----------------------|
| 1. Agricultural           | 2. Production     | 3. Science             | 4. Addiction         |
| 5. Natural                | 6. Scientists     | 7. Six                 | 8. Science           |
| 9. Technologies           | 10. Technology    | 11. Science            | 12. Improving        |
| 13. Industrial revolution |                   | 14. Scientific         | 15. The steam engine |
| 16. Technology            | 17. Depend        | 18. Agricultural tools | 19. Increase         |
| 20. Resist                | 21. Biotechnology | 22. Comfortable        | 23. Coal             |
| 24. Chemical fertilizer   |                   | 25. Weapons            | 26. James Watt       |

**B. Students will read the whole chapter for Matching**

**Notice**

**Next CHT will be held on 05/07/2020 (Sunday)**

<b>Question pattern for next CHT</b>	
<b>1. Fill in the blanks</b>	<b>0.5×10=05</b>
<b>2. Matching</b>	<b>1×05=05</b>
<b>3. Short Q/A</b>	<b>1×4=04</b>
<b>4. Creative Q/A</b>	<b>1×6=06</b>
<b>Total</b>	<b>20</b>
