B. Creative Question Answer:

- 1) What is family? Why will you help the elder people of the family? Write 4 ways of helping older people. (2018) (This question is from topic-1)

Answer: A family is a group consisting of two parents and their children living together as a unit. We will help the older people of the family because that's our duties towards them.

Four ways to help the older people are:

- a) Wash their clothes.
- b) Bring them anything they need.
- c) Remind them to take medicine timely.
- d) Take them to the nearby parks in the afternoon.
- e) Read to them or go for walks together, etc.

- 2) What is an accident? Why does accident occur? Write 4 ways of avoiding accident at home. (2018)

Answer: Accident is an unfortunate incident that happens unexpectedly and unintentionally, typically resulting in damage or injury. Accident occurs due to our carelessness and recklessness.

Four ways to avoid accidents at home are:

- a) Be careful with knives and scissors
- b) Do not touch electric switch with wet hands or bare feet.
- c) Have to turn off gas and electricity.
- d) Have a first aid box at home.

3) What is accident? Why is first aid needed after any accident? Write four ways to stay safe outdoors. (2018)

Answer: Accident is an unfortunate incident that happens unexpectedly and unintentionally, typically resulting in damage or injury.

First aid gives us the tools to prevent the situation from becoming worse.

Four ways to stay safe outdoors are:

- a) Be careful if climbing on trees or walls.
- b) Be careful when playing near water.
- c) Do not play near traffic.
- d) Be careful while crossing the road.
