Chapter-2

Lesson-5

Identification of taiyammum.

Taiyammum is an arabic word. Its meaning is to make an intent or wish to do something. In Islamic terminology, performing Maseh of the face and both the hands up to the elbow with pure soil or anything pure like that(for example stone, limestone, sand etc) is called Taiyammum.

The Farj of Taiyammum

There are three farj or compulsion of taiyammum.

1. To make a will or intent for acquiring purity.
2. To perform Maseh of the whole face with pure soil.
3. To perform Maseh of both the hands up to the elbow with pure soil.

Reasons for Discontinuation of Taiyammum

The reasons for which ablution is discontinued holds equally good for Taiyammum. The reasons for which bathing becomes Wajib cause Taiyammum to be discontinued . As soon as water becomes available, the validity of Taiyammum is over. If Taiyammum is performed due to any disease, Its validity is over as soon as one recovers from it.
