

1. Read the text first and then choose the best answer to the following questions from the alternative given.

It was Zishan's grandparents' house in the village. The night sky was clear. The full moon was shining brightly. All the family members had delicious supper and sat in the yard. Zishan's cousins Jahid and Sima, were very excited. They are the same age. They were also studying at a village school. Their grandparents gladly joined them. They were sitting on a bamboo mat. Everybody felt relaxed. They were talking, laughing and joking. The children's voices were the loudest. Jahid described how he played for his school in the Upazila Inter – School Tournament. "What sports do you take part in, Zishan?" asked Jahid. Zishan couldn't answer. There was no playground in his school and around his house. Sima also told them how she won the first prize for 100 meter sprint in her school annual sports. She sang a beautiful Bhawaiya. Everybody clapped their hands in delight.

Julie's aunt Mrs. Jahanara Khan told them some funny jokes that made them laugh their head off. The family gathering went on far into the night.

2. Read the text and answer the following the questions.

One morning the Giant lying awake on the bed when he heard some lovely music, It was so sweet to his ears that he thought it must be the king's musicians passing by. But in fact, it was only a little bird singing outside his window. Then the north wind stopped and a delicious perfume came to him through the open window. "I believe the spring has come at last," said the Giant. He jumped out of bed and looked out. What did he see?

He saw the most wonderful sight. Through a little hole in the wall the children crept in and they were sitting in the branches of the trees. in every tree there was a little child. And the trees were so delighted to have the children back again that they covered themselves with blossoms. They were waving their arms gently above the children's heads, the birds were

flying about and twittering delightfully. The flowers were looking up through the green grass and laughing.

Now, read the following statements. Write (T) if the statement is true and write (F) if the statement is false. If False, write the correct answer. 1x5 = 5
