

Assalamualaikum Dear Students,

We pray for you and wish you that you are doing fine.

We are going to prepare more homework, video classes, assignment etc for you.

Meanwhile we are giving you Homework for this week.

This is “making MCQ” from the chapters which you already have studied.

**Instructions—**

- 1) Before making MCQ, read every of the chapters properly.
- 2) Try to give multiple options (four) with the MCQ.
- 3) Please, be honest with your work. Just try yourself to make the questions. [If we find two or more students with very similar MCQ, they will have to make 50 MCQ again.]
- 4) Email the Home work to your subject teacher within 11/06/2020.

Take care
