2. Lets use preposition to make sentences.

in

on

under

near

between

The toys are in the box.

The book is on the table.

The cat is under the table.

The bear is standing near the tree.

The man is between the table and chair.

Where is the cat? Match the pictures with the position:

a)

near the chair.

b)

water in the glass.

under the chair.

on the chair.

between the chair.
