### **Getting Nabuwat Of The Great Prophet (s) And Preaching Islam**

Allah has created us to worship Him. We should lead our lives as Allah guided us. But many people forget the Almighty Allah and do evil deeds. So , he sends prophets and messengers to guide them to the right path.

Once the people of Arabia forgot One Allah. -----

They began to worship different sculptures.

They used to quarrel and fight all the time.

They would get into wars for a few reasons.

They also killed and murdered other people.

They were used to stealing , robbing and looting.

There was no peace in the society. There was no practice of learning education among them.

Our Prophet(s) was born at such a crucial time of Arab society . He always thought how to overcome this situation.

He not only thought but also worked hard to establish peace. When he was young , the Quraishes renovated the Ka'ba as a new deployment. But they felt in trouble to set holy Hajre Aswad in the wall of Ka'ba . Hajre Aswad means black stone.

Quraishes were divided into various groups. Each group claimed to set the Hajre Aswad by their own. The matter was mostly directed into fighting and murder. Finally they came to Al Amin, Muhammad(s) to settle the matter. Muhammad (s) put down a cloth sheet. He kept the Hajre Aswad on the cloth by his own hand. He said all of the leaders to hold the cloth sheet and bring it to the wall of Ka'ba . They did it and the Great Prophet kept it on the wall . Thus the quarrel came to an end in a peaceful conclusion.
