

Class-5
Chapter-8
Patriotism

Lecture Sheet-1

Date: 21/10/2020

Country: Every man takes birth in a definite land of the world and this land is his country.

Patriotism: Love and affection for one's own country is called patriotism.

How does this patriotism expose:

- i) It is exposed through man's work and behaviour.
- ii) It is exposed through hard work and sacrifice for the welfare of the country.
- iii) It is exposed by working for the prosperity of the country.
- iv) It is exposed by fighting and protecting the independence of the country.
- v) It is exposed by protecting the country from the hands of enemy.

Importance of Patriotism: The importance of patriotism is immense because it is the source of self-dignity. It is a part of humanity. It helps man transcend selfishness, sectarian and communal narrowness and political differences. It inspires all

irrespective of caste, creed and religion to work unitedly and unanimously. It inspires them for self dedication to the welfare of the country. It creates emotion, zeal and a spirit of work in man. It works as an inspiring power for progress of the country and the nation. So, the importance of patriotism is unlimited for the development of a nation and its country.

Story of Bidula's Patriotism:

It is the story of the Mahabharata. In ancient time, there was a kingdom named Soubir. Bidula was the queen of that kingdom. The king Souvir and Bidula has only one son named Sanjaya. When Sanjaya was young, suddenly the king of Souvir died.
