Chapter- 10: Democratic Attitude

Topic-1: At school

Notes: At first read the related topic from the text book.

Democracy:

Democracy means rule by the people.

Example: Based on a form of government in which the people choose leaders by voting.

Attitude:

A settled way of thinking or feeling about something

Example: The boy was standing in an attitude of despair.

Democratic Value:

Democratic value means respecting on others' opinion and taking decision based on the opinions of the majority.

Democratic Attitude:

Democratic attitude is expression of creativity values, the ability to express opinion, appreciate other people's opinion, and implement joint decision.

Practicing democracy at school:

Selection of the class captain is an example of democracy practice in school.

Ways to practice democracy in school:

- By decorating the classroom
- By organising sports festival
- By electing a group leader

Activities of a class captain:

A class captain is the person in charge of a group. A class captain will take any decision by discussing with other students.

Example:

- keeping the classroom neat and clean
- maintaining rules and regulations in the classroom.
- participating in different activities of the school.
- organising sports programme.

Benefits of practicing democracy:

It is necessary to practice democratic value because it teaches us to respect others' opinion and take decision based on the opinions of the majority.

- It protects the interest of citizens.
- We will take a decision where to go and how to go.
- We will take decision on what to buy and who will buy by discussing with family members.
- We will accomplish several classroom tasks like arranging chairs and tables, decorating and cleaning the classroom, etc. according to the majority's opinions.
- We all will discuss together how to arrange cultural programs, sports competition, picnic, etc.
